AUGUST 29, 1955

Tonight

SEVEN DEADLY SINS

August 29th

With almost uniform excellence, seven directors, seven writers and a host of top-flight continental players have collaborated here to fashion seven witty, amusing, ironic, satiric, or dramatic, as the case may be, illustrations of those moral evils of which "the least that can safely be said is that they have not been neglected". Each anecdote, sketch, or drama is a gem; complete within itself, well-written, sharply pointed, faultlessly performed and directed to illustrate the sins suggested; Avarice, Wrath, Sloth, Lust, Envy, Gluttony and Pride.

BNL MENS' BOWLING LEAGUES

Entry blanks have been sent to all of last year's team captains. Entry blanks for new teams may be obtained at the Recreation Office.

Because of the additional demand for alleys in our area, it is necessary that we decide as soon as possible where the teams prefer to bowl. Therefore, if you intend to have a team, even though your roster may not be complete, please fill out the blank, indicating where your team wishes to bowl and the night, and return it as soon as possible to the Recreation Office. When eight teams have indicated the same alleys and the same night, a league will be formed.

A meeting of all team captains will be held at a later date to discuss regulations, date for starting, number of rounds, etc.

Course in Differential Equations

Anyone interested in taking a course in Differential Equations at the Laboratory during the fall semester - please call Ext. 2334.

SOFTBALL STANDINGS

	<u>W</u>	<u>L</u>
